

Dear brother;

As Masons, we have pledged to contribute meaningfully to society by helping better our community, aiding the less fortunate and offering fellowship to our members and their families. We believe in order to achieve these goals, we must have a strong foundation and the cornerstone of every Masonic organization is its Lodge.

As you may know, the lack of easy access in the current Lodge has kept some members and guests from attending. This, along with the fiscal responsibilities of maintaining an aging building, has prompted Shawano Lodge to purchase the old Doc's Harley building at 2324 East Richmond Street in Shawano. The future Lodge has ground level entry and parking which will allow all members and guests to share in the fellowship of the Lodge.

We envision the new lodge not only as a place where Masons come to gather, but also as a pillar of the community where our neighbors can come to participate in the Masonic tradition. In order to achieve this vision, we are reaching out to our members, friends and the community to help us renovate the building for future use. We are humbly asking you to consider joining the Shawano Masonic #170 Club or making a gift of any size so that we can advance our Lodge's worthy purposes well into the future. We truly believe this project warrants the investment of those who care about the Masons, which emboldens us to ask for your participation.

Please make your gift today. Your check can be made payable to Shawano Masons and sent to Shawano Lodge 170, Jim Campbell, Secretary, at P.O. Box 273 Shawano WI 54166. Shawano lodge will secure these funds on our behalf so that we can prudently invest them in making the Shawano Mason's new lodge a place of which we can all be proud.

We welcome your questions and thoughts. Please contact Jim Campbell, Secretary and Chairman of the Building Committee if you would like to learn more about this project before making a decision. [Jr.campbell@charter.net](mailto:Jr.campbell@charter.net) or (715) 526-2232.

We thank you in advance for caring about our Lodge and our community. Your involvement is crucial. We send you warmest wishes and all the best for a bright future with Shawano Masons.

Fraternally,

Shawano Lodge #170
